# WHAT TO EXPECT

## LAFUTURA X GLOBAL INNOVATION

Did you ever travel to five different continents in only one day? You don't need to wait for future technologies to do it! **LaFutura x Global Innovation** gives you the chance to travel from Asia to Europe, from Europe to Africa and from there finally to North and South America.

In one day only you'll experience what innovation and future talks look like in diverse parts of the world. Get a glimpse into most stunning centers of the future and understand different mindsets as well as visions.

## LAFUTURA IS PROUD PARTNER OF UNESCO FUTURE LITERACY SUMMIT.

You will learn how to connect foresight and innovation and develop your future literacy skills.

## THE VIRTUAL TOUR

A fully virtual program allows you to take a deep dive into each and every continent, location and future idea without the need of worrying about how to get from a to b.

## NETWORKING ON FLEEK

More than ever, we believe that building a strong, inspiring network is the key for success. Join the networking lunch and get to know other participants during the global journey – from diverse continents and with very different mindsets.

More information can be found on [LaFutura's website](#) and on the [UNESCO Future Literacy Summit booth](#).

The background of the image is a complex, low-poly geometric pattern in various shades of blue. The pattern consists of numerous triangles of different sizes and orientations, creating a textured, crystalline appearance. The overall shape of the pattern is roughly hemispherical, with the top edge curving downwards. The colors range from a deep, dark blue to a lighter, more vibrant blue, with the lighter colors appearing more towards the top and right sides of the image.
